

Our Purpose

Improving healthcare by advancing and assuring quality in pharmacy education

Our Vision

To lead accreditation and assessment of education of the pharmacy sector, nationally and internationally

Our Values

Respect
Life-long learning
Support
Innovation
Creativity
Transparency
Fairness
Courage

Our Strategic Priorities

Leading, influencing and collaborating

We will enhance our influence with key partners to create opportunities that facilitate and advance capabilities of the pharmacy profession

1

Future focused standards and assessment

Our approach to standard setting, accreditation and assessment is evidence-based, agile and socially accountable to meet future needs

2

Aboriginal and Torres Strait Islander Peoples' health

We commit to a health system free of racism and discrimination by contributing to a culturally safe pharmacy workforce

3

An innovative, sustainable and resilient organisation

We embrace new ways of working that move us forward

4

Strategic priority one: Leading, influencing and collaborating

We will enhance our influence with key partners to create opportunities that facilitate and advance capabilities of the pharmacy profession

Key Actions

Retain our position as a leader within the National Registration and Accreditation Scheme

Seek opportunities to expand our profile as a national standards body for health professions education

Contribute to the body of evidence in the sector through research, publication and events

Respond and offer solutions to the Pharmacy Board of Australia as a trusted advisor

Use our independent voice to facilitate conversation and connection nationally and internationally

Influence and collaborate with industry stakeholders to offer solutions to pharmacy workforce issues

Strategic priority two: Future focused standards and assessment

Our approach to standard setting, accreditation and assessment is evidence-based, agile and socially accountable to meet future needs

Key Actions

Actively and appropriately support our candidates and program providers

Ensure effective adoption of accreditation standards and encourage innovation in our programs

Diversify the suite of assessment tools and competency-based education in partnership with the Pharmacy Board of Australia

Continue transformation of our examination assessment methodologies and delivery modes

Identify and develop standards for expanding scopes of practice as they evolve

Implement a sustainable CPD accreditation system

Build on our relationships with our international colleagues to design our international services in a socially accountable and responsible manner

Collaborate with other accreditation authorities to learn and enhance our standards and processes

Strategic priority three: Aboriginal and Torres Strait Islander Peoples' health

We commit to a health system free of racism and discrimination by contributing to a culturally safe pharmacy workforce

Key Actions

Recognise the importance of self-determination for Aboriginal and Torres Strait Islander Peoples in all our activities

Influence and lead the pharmacy profession through establishment and growth of a sustainable Leaders in Indigenous Pharmacy Profession Education (LIPPE) network in partnership with the Council of Pharmacy Schools

Continue our reconciliation journey through our current and future Reconciliation Action Plans

Ensure Aboriginal and Torres Strait Islander Peoples' voices are heard, recognised, and embedded in all our governance structures

Grow our peoples' understanding of cultural safety for Aboriginal and Torres Strait Islander Peoples through continued training and assessment

Support the development of a culturally safe health workforce supported by nationally consistent standards, codes, guidelines and assessment

Strategic priority four: An innovative, sustainable and resilient organisation

We embrace new ways of working that move
us forward

Key Actions

Manage our resources in a sustainable, ethical and socially responsible manner

Diversify and expand our income streams leveraging our expertise, through seeking new opportunities

Strengthen our supportive, safe and inclusive environment to encourage our people's creativity

Foster and support an effective and sustainable Board

Embrace new technologies and data to support, protect and enhance our operations, increase effectiveness and improve efficiencies

Further embed an organisation culture that reflects our values so we are sustainable and resilient
