## Media Release

### Additional APC examination practice papers now available

Candidates planning to sit the next Australian Pharmacy Council (APC) Intern Written Examination and/or the Competency Assessment of Overseas Pharmacist (CAOP) examination are encouraged to use the two additional practice papers just released by the APC.

APC CEO Bronwyn Clark says the practice papers are a valuable resource for pharmacy interns and overseas trained pharmacists sitting these exams, respectively.

“These practice papers provide our candidates with an opportunity to understand the format and content of a range of examination questions that closely match the style on exam day,” Ms Clark said.

“The practice questions are from previous examinations and therefore will not be used again. However, the practice cannot be underestimated for those wanting to familiarise themselves with this intense and essential part of their pharmacy journey,” Ms Clark said.

The practice papers can be downloaded as PDFs.
